

Registered General Nurse (Nights)

Hours:	34.5 per week on a rolling 7 day rota
Salary:	£18.00 per hour
Location:	Birch Green Care Home
Closing date:	31 March 2017

Birch Green Care Home is an award winning well established, highly successful, top quality 74 bed nursing home located in Skelmersdale. Birch Green is part of the successful Springhill Care Group and prides itself on fulfilling its vision and mission and is guided by its core values. Our organisation is delighted to have been nationally recognised by achieving the prestigious Investors in People Gold Standard which means we are the sixth Care Home out of 745 Homes in the whole UK to have achieved the generation 6 Investors in People Gold standard. This means investing in our workforce to make a real difference is top of our agenda.

We are currently recruiting for an experienced Registered General Nurse and have availability for night shifts. To provide and supervise the delivery of high quality personalised nursing care to residents in accordance with up-to-date, evidence-based professional policies and practice, legal regulations of the Health and Social care Act 2008, all other legal requirements and company policies. Experience is required of leading and motivating a staff team by acting as a role model for high professional standards whilst providing an environment of person centred care.

You will be a qualified Registered Nurse, demonstrate knowledge and ability in providing effective leadership in managing and have a positive and enthusiastic attitude to work.

You must be able to demonstrate knowledge and ability in providing effective leadership and managing and supervising staff together with the ability to motivate and work effectively with a team of staff.

If you have the relevant experience and are interested in permanent work, working for an award winning company, for an application pack please contact **Jennie Green**
